

## Certificate of Analysis

# 2-MSP-5-HA-GGFG-NH-CH<sub>2</sub>-O-CH<sub>2</sub>-CO-Exatecan

Catalog No. **BP-02389** · Lot **BP-02389L01** · CAS **2964536-59-0**

**FOR RESEARCH USE ONLY. NOT FOR HUMAN USE.**

## PRODUCT INFORMATION

|                   |                                                                   |
|-------------------|-------------------------------------------------------------------|
| Molecular formula | <b>C<sub>53</sub>H<sub>55</sub>FN<sub>10</sub>O<sub>13</sub>S</b> |
| Molecular weight  | <b>1091.1260</b>                                                  |
| Form              | <b>free base</b>                                                  |

## LOT ANALYSIS

|                     |                                                                                                       |
|---------------------|-------------------------------------------------------------------------------------------------------|
| HNMR                | <b>Conforms</b>                                                                                       |
| LC-MS               | <b>Conforms</b>                                                                                       |
| Purity (HPLC)       | <b>98.76%</b>                                                                                         |
| Appearance          | <b>Light yellow to yellow</b>                                                                         |
| Recommended storage | <b>Powder -20°C, sealed storage, away from moisture and light, 2 years; In solvent -20°C 1 month;</b> |
