

## Certificate of Analysis

# NS2B/NS3-IN-3 hydrochloride

Catalog No. **BP-02432A** · Lot **BP-02432AL01** · CAS **2832876-91-0**

**FOR RESEARCH USE ONLY. NOT FOR HUMAN USE.**

## PRODUCT INFORMATION

|                   |                                                                 |
|-------------------|-----------------------------------------------------------------|
| Molecular formula | <b>C<sub>19</sub>H<sub>22</sub>ClN<sub>3</sub>O<sub>2</sub></b> |
| Molecular weight  | <b>359.8500</b>                                                 |
| Form              | <b>salt · hydrochloride</b>                                     |

## LOT ANALYSIS

|                     |                                                                                         |
|---------------------|-----------------------------------------------------------------------------------------|
| HNMR                | <b>Conforms</b>                                                                         |
| LC-MS               | <b>Conforms</b>                                                                         |
| Purity (HPLC)       | <b>98.28%</b>                                                                           |
| Appearance          | <b>Orange to red</b>                                                                    |
| Recommended storage | <b>Powder 4°C, protect from light, stored under nitrogen; In solvent -20°C 1 month;</b> |
