

## Certificate of Analysis

# BGB-283

Catalog No. **BP-02435** · Lot **BP-02435L01** · CAS **1446090-79-4**

**FOR RESEARCH USE ONLY. NOT FOR HUMAN USE.**

## PRODUCT INFORMATION

|                   |                                                                            |
|-------------------|----------------------------------------------------------------------------|
| Molecular formula | <b>C<sub>25</sub>H<sub>17</sub>F<sub>3</sub>N<sub>4</sub>O<sub>3</sub></b> |
| Molecular weight  | <b>478.4227</b>                                                            |
| Form              | <b>free base</b>                                                           |

## LOT ANALYSIS

|                     |                                                                        |
|---------------------|------------------------------------------------------------------------|
| HNMR                | <b>Conforms</b>                                                        |
| LC-MS               | <b>Conforms</b>                                                        |
| Purity (HPLC)       | <b>98.28%</b>                                                          |
| Appearance          | <b>White to off-white</b>                                              |
| Recommended storage | <b>Powder -20°C, 3 years , 4°C, 2 years ; In solvent -20°C, 1 year</b> |
