

## Certificate of Analysis

### INF 4E

Catalog No. **BP-02456** · Lot **BP-02456L01** · CAS **88039-46-7**

**FOR RESEARCH USE ONLY. NOT FOR HUMAN USE.**

#### PRODUCT INFORMATION

|                   |                                                    |
|-------------------|----------------------------------------------------|
| Molecular formula | <b>C<sub>12</sub>H<sub>13</sub>ClO<sub>3</sub></b> |
| Molecular weight  | <b>240.6830</b>                                    |
| Form              | <b>free base</b>                                   |

#### LOT ANALYSIS

|                     |                                                                          |
|---------------------|--------------------------------------------------------------------------|
| HNMR                | <b>Conforms</b>                                                          |
| LC-MS               | <b>Conforms</b>                                                          |
| Purity (HPLC)       | <b>98.43%</b>                                                            |
| Appearance          | <b>Colorless to light yellow</b>                                         |
| Recommended storage | <b>Powder -20°C, 3 years , 4°C, 2 years ; In solvent -20°C, 1 month;</b> |
