

## Certificate of Analysis

# CH5424802 analog

Catalog No. **BP-02500** · Lot **BP-02500L01** · CAS **1256577-71-5**

**FOR RESEARCH USE ONLY. NOT FOR HUMAN USE.**

## PRODUCT INFORMATION

|                   |                                                               |
|-------------------|---------------------------------------------------------------|
| Molecular formula | <b>C<sub>28</sub>H<sub>30</sub>N<sub>4</sub>O<sub>2</sub></b> |
| Molecular weight  | <b>454.5634</b>                                               |
| Form              | <b>free base</b>                                              |

## LOT ANALYSIS

|                     |                                              |
|---------------------|----------------------------------------------|
| HNMR                | <b>Conforms</b>                              |
| LC-MS               | <b>Conforms</b>                              |
| Purity (HPLC)       | <b>98.76%</b>                                |
| Appearance          | <b>White to off-white</b>                    |
| Recommended storage | <b>Powder: -20°C, 3 years; 4°C, 2 years.</b> |
