

## Certificate of Analysis

# (R)-JQ1 Acid

Catalog No. **BP-02519** · Lot **BP-02519L01** · CAS **202592-24-3**

**FOR RESEARCH USE ONLY. NOT FOR HUMAN USE.**

## PRODUCT INFORMATION

|                   |                                                                  |
|-------------------|------------------------------------------------------------------|
| Molecular formula | <b>C<sub>19</sub>H<sub>17</sub>ClN<sub>4</sub>O<sub>2</sub>S</b> |
| Molecular weight  | <b>400.8820</b>                                                  |
| Form              | <b>free base</b>                                                 |

## LOT ANALYSIS

|                     |                                                                         |
|---------------------|-------------------------------------------------------------------------|
| HNMR                | <b>Conforms</b>                                                         |
| LC-MS               | <b>Conforms</b>                                                         |
| Purity (HPLC)       | <b>99.36%</b>                                                           |
| Appearance          | <b>Pale-yellow Solid</b>                                                |
| Recommended storage | <b>Powder -20°C, 3 years , 4°C, 2 years ; In solvent -20°C, 1 month</b> |
